hydrobiologia volume 213, contents

No. 1

P. G. Sly: The effects of land use and cultural development on the Lake Ontario ecosystem since 1750 1

No. 2

P. S. Joseph, M. Arar & I. Shalash: Coastal environmental impacts on Kuwaiti fisheries 77
P. V. McCormick, E. P. Smith & J. Cairns, Jr.: The relative importance of population versus community processes in microbial primary succession 83
A. N. Economou, Ch. Daoulas & P. Economidis: Observations on the biology of *Leuciscus 'svallize'* in the Kremasta reservoir (Greece) 99
P. Rodriguez & J. F. Wright: Description and evaluation of a sampling strategy for macroinvertebrate communities in Basque rivers (Spain) 113
C. Logan, E. A. Trippel & F. W. H. Beamish: Thermal stratification and benthic foraging patterns of white sucker 125
R. Barbieri & F. A. Esteves: The chemical composition of some aquatic macrophyte species and implications for the metabolism of a tropical lacustrine ecosystem – Lobo Reservoir, São Paulo, Brazil 133
M. Arunachalam, K. C. M. Nair, J. Vijverberg, K. Kortmulder & H. Suriyanarayanan: Substrate selection and seasonal variation in densities of invertebrates in stream pools of a tropical river 141
H. A. Rhodes & W. A. Hubert: Submerged undercut banks as macroinvertebrate habitat in a subalpine meadow stream 149
C. Callieri, R. Bertoni, C. de Marco & M. Contesini: Settling flux and sinking velocity of Seston in Lago di Mergozzo (Northern Italy) and influence of microbial activity on the decomposition of entrapped organic material 155

No. 3

A. G. Wones & G. L. Larson: The benthic macroinvertebrate community in a coastal sand dune lake relative to habitat and changing lake levels 167
T. Hellström: The effect of resuspension on algal production in a shallow lake 183
B. Malmqvist, P. Sjöström & K. Frick: The diet of two species of *Isoperla* (Plecoptera: Perlodidae) in relation to season, site, and sympatry 191
R. T. James: Microbiology and chemistry of acid lakes in Florida: I. Effects of drought and post-drought conditions 205
R. T. James: Microbiology and chemistry of acid lakes in Florida: II. Seasonal relationships 227
O. N. Júnior, M. R. Dip & R. M. Góes: Macroalgae of a stream in southeastern Brazil: composition, seasonal variation and relation to physical and chemical variables 241
Book reviews 251
